How to GO POSTAL: Step 1 - Download this Step 2 - Rip the soundtrack to your phone/MP4/Walkman/whatever is used to listen to music Step 3 - Get some weapon Step 4 - Go outside and play 'Temporomandibular' Step 5 - ??? Step 6 - Population: 0 Hostiles: 0 Killed (100%). 666 Ram? That isn't suspicious at all (btw great soundtrack). It's amazing that RWS releases their soundtrack for free while other developers and publishers make you pay for them. And now i can tell what a person with Paranoid schizophrenia hears everyday in their life.. It's amazing that RWS releases their soundtrack for free while other developers and publishers make you pay for them. And now i can tell what a person with Paranoid schizophrenia hears everyday in their life.. THIS IS WHAT I HEAR IN MY BRAIN EVERYDAY!!!!!!!!!!!!. "Memory: 666 MB RAM" Nice.
